Assistant Superintendent
Business Services Support Division
San Bernardino County
Superintendent of Schools

Dear Mr. Alejandre:

During our recent effort to pass a General Obligation Bond in the local community, Lori Raineri and her staff at Government Financial Strategies provided extremely supportive and invaluable services. After our initial meeting at the county office we frequently contacted Lori or Keith Weaver for additional information or advice on the campaign or questions concerning the financial plan. They were very timely and supportive in their responses. Many of the conversations later in the campaign provided timely sage advice to me or the chair of our Save Our Schools Committee, Mrs. Millie Radar. No call or question was insignificant.

I personally feel they provided outstanding support far above the expectations of the contract we had with the firm. I would not hesitate to recommend Lori, her staff and their services to another school district or county office.

Sincerely,

Micheal Noga
Superintendent
